

**FOUNDATION FOR EDUCATIONAL EXCELLENCE
REQUIRED GRANT FOLLOW UP**

Upon the completion of, or at an appropriate point in an ongoing program, submit a review of your Foundation for Educational Excellence funded grant project. We like to spread the good word in our newsletter or local newspapers about quality programs that the students in the Pioneer Valley Regional School District are experiencing. It would be appreciated if as part of your review digital photographs and/or students comments were included. Photos should be emailed to the address below.
